

LABOUR HOUSE

— STAFFING INC. —

About COMPANY

Labour House has been a family owned and operated business servicing the production, warehouse, logistics, food service, fulfillment, and distribution business communities.

Labour House is able to meet any requirements you may have, and we are fully prepared to facilitate any industrial staffing from small or large number of employees within your organization. We can tailor a proposal to accommodate your staffing needs and have it implemented within 24 hours. Our highly qualified employees are eager to accommodate your staffing needs to ensure 100%.

Safety of our employees is important to us, therefore we ensure every employee we place is trained by our certified trainers through the Safety program and each of them are well informed about everyday use of tools. All of our employees are covered under WSIB insurance, in case of any work related accident or injury. In addition, **LABOUR HOUSE** is protected under Commercial General Liability Insurance and Errors & Omissions **Liability up to \$2 Million.**
